

Hello Fellow Neighbors -

The **District 8 Community Round Table (D8CRT)** is a non-partisan, non-profit (501c3) community advocacy group originally formed in 2002 to represent the People and Businesses of San Jose's Council District 8.

The roll of the D8CRT is to educate and inform the community, and communicate with the appropriate public and private entities to address important issue facing our District 8 community.

As part of that outreach and advocacy we strive to educate and urge all eligible community members to vote, and to get to know the issues and candidates on our voting ballots. As such we routinely host a non-partisan public candidates forum for the purpose of getting to know our candidates a little better - and provide us with information to enable our voting public to make an informed decision.
